Key Services

Our company provides a variety of legal services which contribute to the creation of successful business environment. The aim of these services, which we provide to business entities, entrepreneurs, investors, and individuals will help them carry out their activities, achieve their goals, and safeguard their rights and interests. These services are reflected below:

Companies and Business Sector:

- Set up companies of all types (national/foreign/mixed) until they acquire legal status.
- Register and protect intellectual property rights (trade names/trademarks/patents).
- Manage governance processes, mergers, and acquisitions.
- Handle bankruptcy and liquidation procedures.
- Provides legal support, representation, and consultancy services.

Commercial Franchise:

As a certified franchise broker for Small and Medium Enterprises, we provide our clients with the following legal services:

- Draft franchise agreements to ensure the proper application of Franchise Law and its executive regulations.
- Document franchise agreements at the Commercial Franchise Centre.

Intellectual Property Rights:

We prioritize the protection of intellectual property rights in all its forms, including patents, industrial designs, integrated circuits, trademarks, and copyrights. The various IP services are reflected below:

- Register patents and copyrights.
 - Register trademarks.
 - Object and dispute the use and registration of trademarks.
-

Formulation of Contracts and Agreements:

The Legal drafting of contracts is based on deep understanding of laws, regulations, and knowledge of procedures in various legal issues. Our expertise on the formulation of professional legal language, which is based on accuracy is the cornerstone of well written contracts and agreements to minimize disputes, avoid misunderstanding, and eliminate text misinterpretation between contracting parties. Having said that, we attach below a list of our contract services:

Draft, review, and amend memorandums of understanding, commercial contracts, agreements, employment contracts, regulations of private entities, administrative contracts, and regulations of public entities.

Legal Consultations:

We provide our clients with legal opinions and consultations in various fields, according to our practical experience and deep understanding of different legal issues to ensure the protection of clients' rights and interests.

Litigation and Disputes Settlement:

Our extensive experience in litigation enables us to provide our clients with outstanding services in this field before and after the emergence of disputes. Our competent lawyers are here to study, analyse, and evaluate the dispute's circumstances and the underline causes. We offer the best possible solutions according to the nature of the dispute and the relevant laws and regulations. Our legal services in respect to legal disputes are reflected below:

- Resolve disputes through alternative methods such as mediation, arbitration, negotiation, and conciliation.
- Legal representation before general and administrative courts at all levels.
- Legal representation before quasi-judicial committees.

Debt Collection and Execution:

With our legal expertise, we ensure the swift collection of debts for our clients, whether individuals or companies .We file and pursue financial claims, execute Court orders and arbitration decisions , and process commercial documents in execution courts. These services are reflected below:

- File financial claims in preliminary courts.
- Execute court orders and arbitrators' decisions.
- Execute commercial documents (checks, promissory notes, bills of exchange).
- Execute financial debt declarations issued by notaries.

Wills, Endowments, and Real-Estate Settlement:

We execute wills and endowments in compliance with Islamic law. We handle Real Estate settlement by applying inheritance laws and related regulation to ensure the distribution of Real Estates and assets in a legitimate manner which meets the needs of the testator and heirs. These services include:

- Division and settlement of Real-Estates.
- Drafting and execution of wills and endowments.
